

# G-DC-RG300S

Ranger Wall Swing DC Gate Motor  
C/W Control Panel (2 PCS Motor)

RANGER

KG  
**300**

## Maximum Gate Weight

Maximum support weight up to 300kg (per leaf)

## Long Lifespan

Long-lasting with solid coated gearbox base

## Self Calibration

Intelligence system for smooth operation

## DC Power Supply Mode

Able to operate on DC power supply

\*All image and specification is subject to change without prior notice.

Technical Data	G-DC-RG300S
Power Supply	AC 220-240 V
Motor Power Supply	14 -18 VDC
Maximum Gate Weight (per leaf)	300kg
Maximum Gate Width (per leaf)	4.0m
Output Store Speed	10~15m/s
Maximum Opening Angle	85°~ 110°
Operating Temperature	-10°C to 80°C
Protection Class	IP67

## Ordering Info

Model	Motor Configuration
