

Features

- Plastic housing
- Slim & sleek design
- Very low power consumption: static current less than 30mA
- Output format : Wiegand 26

Technical Specification

Unit Model	IDG-BC-90EM
Card type	EM/MF
Operating temperature	DC9-12V
Reading distance	2-5cm
Operating humidity	10%-90%RH
Waterproof degree	IP68
Standby current	<30mA
Searching speed	Less than 0.1S between reading card and opening the door
